

Cambria / Covell Ranch Tour

Covell's California Clydesdale's Ranch is located on the central coast in beautiful Cambria, California.

Coming to Cambria with the club in October? Join us on a tour of the **Covell Ranch**. Sit in an open air people mover, and enjoy the view!

The first part of the tour includes a ride through stands of Monterey Pines* and the open meadows of the beautiful ranch. The driver explains the history of the ranch and talks about the conservatorship that saved the Monterey Pines. **There are only five native or natural occurring stands of Monterey Pines in existence today. The Covell Ranch is one of the largest and most pristine, privately owned native stands of Monterey Pines.*

The second part of the tour gives the viewer the opportunity to be close to Clydesdale horses roaming in open fields. (They currently have a herd of beautiful Clydesdale horses, living like wild horses in meadows overlooking the Pacific Ocean.)
