Kandra Longo and Don Wilder worked on the Autocross article, denoting the great fun we had at the Fontana Race Track. Our President contributed an article to Racer's Corner and then there were the first Car show of the season and articles of our cars and what was our favorite pictures about them.

Historian: Ted Jung spoke of attending the Board Meeting and the one of the decisions that was being researched was the onboarding of bringing in sponsors for possible scholarships and advertising. He picked up a \$500 check from Simpson Chevrolet so going forward we will see more information to help fund both those processes once the general membership has time to vote on the process going forward. Please send all pictures to Ted Jung and he will reallocate to the Don Wilder.

Club Store: Judy Nunn spoke of an amazing blanket that will be auctioned off in May with a C7 logo on it. She has new hats and can have anything you want to bring in embroidered.

SGT at Arms: Henry Lewis spoke of the requirements which are located on the website under membership in order to become a full-fledged member of the Pacific Coast Corvette Club so anyone that is reading this and would like to become a member there is a membership processing fee of \$10 and an application that must be turned into Henry Lewis our SGT at Arms.

SGT at Arms: Henry Lewis came back up and started giving fines no name tags, vehicles other than corvettes being driven to the Corvette Club meeting, and instituted a new fine for leaving earlier than meeting is over and he was able to bring a fair amount of fines tonight as many people had all kinds of fineable actions. Bob Rose then had Denis Boulanger come up and he distributed some remaining board gifts from the 2017 board members and then announced that Ray and Nancy Marshall were members of the year. They hosted the most events of any members so let us give them a round of applause as many of us know hosting events takes time and effort and it really great that they would give us so much of their time to make a club a success.
