Dan Beadle

When I get your check, I will send out a meal order form so you can customize your lunch.

I will not deposit your check until one week before the event, which will be the final date for adds/changes. This time is needed to let the winery plan and order. However, they do want the preliminary head count by September 1.

Pianetta is offering us two special deals:

**Winery Tour, Tasting and Lunch - \$60 per person**

We will start off from the Sea Otter Inn in Cambria for a special caravan through some of the most beautiful wine trails of Paso Robles and then on out to the winery.

The winery is situated on rolling hills with a great view of the San Miguel Valley. We will have a 1 hour hay-ride style tour of the property with stops to sample grapes (if they haven't all be harvested by then) and sample some of the final product accompanied by cheese and crackers. The last time we did this, John Pianetta, the owner, grower and wine maker led the tour. It was really fantastic.

After the tour, we will have a gourmet box lunch followed by wine tasting. Several years ago, John created a special PCC Red Blend just for us. He took a good, but not great wine, and added just a few drops of another Wine.

***The winery can only accept 24 people for the tour as the wagons hold 12 people each. Seats are first-come, first served. See information below on what it takes to hold your spot!***

The lunch options are

- Veggie Wrap
- Club Wrap â€“ Turkey, bacon, cheddar, avocado and more in wheat tortilla
- Chicken Pesto Wrap â€“ roasted chicken, provolone spinach and peppers on sun-dried tomato tortilla
- BALT, Bacon, avocado, lettuce and tomato on sourdough
- ROO â€“ Roast Beef, Pepper Jack, tomatoes, red onions, and more on sourdough
- Italian Scooter â€“ Black Forest Ham, Salami, Provolone and more on French roll

All boxes include a deli salad and chips topped off with a chocolate chip cookie to go with some of the great wines we will be sampling.

Wine with lunch is \$7 a glass.

**Tasting and Lunch Only \$30 Per Person**

You will be on your own to navigate out to the winery. While missing the tour, you will have the same great lunch and wine tasting experience.

We will also have silent voting for the coolest Corvette to make the trip. There will be a prize for the winner. Ties will be broken with a drawing. Who knows what you could win. ( I do! )

We have a limited number of spots for the winery tour and the wine tasting. We need to sign up now to hold this event date.
