

**PCC General Membership Meeting
May 1, 2019
Fuddruckers El Toro Road**

By Sandy Savanich

President Bob Rose called the meeting to order at 7:00 PM. Before commencing with official meeting business, Bob and Ted Jung recognized fellow member Mark Smith with an award as **#1 Sandbagger Z06SLOW** (see photo). Mark smoked a few cars on the racetrack a few weeks ago and showed them who's the boss.

Dave and Gina McCue's daughter-in-law Ashley returned to give us an update on her fundraising efforts for Ronald McDonald House. With the help of PCC members, she raised \$21,986 and was the #1 fundraiser for her county. Great job everyone!

First order of business – the meeting minutes from April were accepted and approved.

Sandy Savanich encouraged members to go on the PCC website and post a review. We use this media to promote our club by referring prospective members and others to visit our website. Reviews are personal recommendations that help the growth of our club, and help to make us stand out from the others.

Secretary note: so if you haven't had a chance to post a review yet, now is your chance. As of this writing, we have a grand total of 7! Please take a moment and share your positive thoughts and what attracted you to PCC.

Unfortunately, the recipient could not be here this evening because he's working, but we are hoping he'll be at the June meeting.
