President Rose will be out the remainder of his term and will be undergoing some corrective measures to enhance his ability to drive his new Z06, so in the interim, VP Ray Marshall will be handling the end of the year meetings.

John Iest, spent the last week for us in Portland Oregon with family, Gary Lane had been very sick and they put him in hospital for 3 days, so he is recovering. He is out but not able to be around large groups of people yet but told me he hoped to be at Holiday Party.

Gary has also bought a new toy, which he will need to tell us about so we can share in his happiness of having another toy, as one corvette doesn't care if you drive another one.
