Sensorio Paso Robles Field of Light by Bruce Munro

To PCC- Ray Marshall <rmarsh3772@cox.net>

Ray,

Bob mentioned that you were going to send an email to the participants regarding the Cambria trip and that you also mentioned the light show.

Here's the link in case you wish to share it:

Bob and I went last year and enjoyed it, but are undecided if we are going again this year. This is not an "organized" club event, but here's some basic info for those that may want to go.

*As of today it appears they still have tickets on Friday, Saturday & Sunday.

*Cost for 6:00 PM or 7:00 PM general admission is \$42.08 per person which includes parking.

*Tickets are NON REFUNDABLE (Inclement weather may cause a cancellation and you will be notified and tickets refunded)

*They also have VIP tickets that allow you in an elevated viewing area with fire pits and wait staff.

*If you don't want to order online, you can try and walk-in, but there is no guaranteed entry as guests can only enter as others leave.

*Food and alcohol sold separately on site. (see online menus on website)

*Closes at 10 PM. You can spend as little or as much time as you like. It takes maybe an hour to walk the grounds and see everything, but the views change as the evening sky changes. It's meant as a place to linger, relax and enjoy the music and view.

*Social distancing and masks will be monitored and enforced. Temperature taken.

*****Please see website for more details and to purchase tickets*****
