

## **PCC General Membership Meeting**

**March 4, 2020**

**Hacienda On The Lake, 27792 Vista Del Lago, Mission Viejo, Ca 92692**

**By Sandy Savanich**

At 7:00 PM, **President Harold Brunski** called the March meeting to order.

### **First order of business –**

The Board met on March 2 and discussed events that we're budgeting for including a summertime picnic and the Holiday Party. Looking for members to volunteer singularly or as a group for these 2 events. The Board meeting minutes are on the website.

### **Somebody you should know**

**Steve Radigan** was invited to share some personal facts about himself and his background with the club. Steve was born in New York and raised in New Jersey. After joining the Navy, he came to California and decided not to go back to Jersey. Steve's been in the club since it's origination. He bought his first Corvette in 1970 and still has it! In 1973 he moved to Mission Viejo and started a car club which later disbanded in the '80's Steve met his wife at work at Douglas Aircraft and they've been married almost 52 years. PCC was started in June of 1989 as a family friendly club by a group of members from another club. He's had 11 Corvettes and counting, in addition to his hot rods (1956 and 1957 Chevys). In 2016 Steve was diagnosed with Myelofibrosis which is a blood cancer. The club made white wrist bands that said "Cancer Sucks" and sold them to support Steve and another member Jeff Jegge who was also diagnosed with cancer. The money collected for Steve was donated to the City of Hope.

The February 2020 meeting minutes were accepted and approved. *Secretary note: Minutes are available on line.*
