

**PCC General Membership Meeting
October 7, 2020
Remote video conference via Zoom**

By Secretary Sandy Savanich

*Secretary Note: Due to the Covid 19 social restrictions, our October meeting was held via Zoom video conference. Afterwards, **Harold Brunski** emailed a link to the membership of the recording from the meeting for those who couldn't attend or wish to review again. It is also included in the PCC calendar.*

At 7:00 PM, **President Harold Brunski** called the October meeting to order and welcomed everyone.

First order of business –

President

Harold Brunski

Annual January 2021 Banquet update -

Harold spoke to the venue regarding our existing deposit for our January 2021 banquet. If we cancel and DO NOT rebook the event, we would lose our \$600. However, we do have the option to roll the \$600 over to January 2022 or another date in 2022. If we decide not to have the banquet in January 2021, there will be enough funds in our account to have 2 outdoor events with social distancing in its place. We could still do some awards. A board meeting will take place in the upcoming week to discuss this option further.

Nominees for 2021 -

We will be voting online for the board nominees via voting proxy. Need to add your name and email otherwise it won't be submitted. Details will follow. Committee members **Gene Insley** and **Ray Marshall** we're asked to provide an update on nominees.

Gene said existing board members who can continue for a second term are on the candidate list. We have candidates for all positions except Secretary. Please let Gene and Ray know if you would be willing to volunteer. Since we will not have the Awards Banquet this year, **Judy Nunn** and **Sheryl Brunski** will step in again for next year.

Board Meeting will be held next week to discuss options for the banquet.

Charity

Gene Insley and the Committee are looking for suggestions. Please submit your choice of recipient to the board. Total funds available \$1,500.
