Treasurer

Mark Smith - stated we started November with a balance of approximately \$11,000, collected about \$2,500 in dues, \$1,500 paid out to the charities (all have been cashed) and approximately \$2,100 was paid to NCCC. We entered November with approximately \$10,000. We started year 2020 with approximately 84 active members (without spouses), 5 not returning, 9 not paid and 6 we have not heard from. **Mark** thanked **Gene Insley** for preparing the cover letters for the charity awards. We have not received any receipts from our scholarship recipient Santiago but **Don Wilder** said that due to Covid 19 and the new school regulations, it's difficult to administer the program. He said he was going to consolidate his expenses, but in Don's opinion, the school expenses may be minimal at Saddleback these days and that's why the school wasn't included going forward. **Harold** will also check in with **Terry** and **Laurie Smith** who were checking the schools district that her daughter in law is involved in.
